Dr. Renuka Rao Bijoor is a Board Certified Pediatric Dentist, with 25 years of training and experience to her credit. She is a graduate of Columbia University College of Dental Medicine, having completed her Post-Graduate training in Pediatric Dentistry at the New York Presbyterian Medical Center.

Dr. Bijoor trained as an oral surgeon in India and the UK, and had a private practice for seven years in Bombay, India. Dr. Bijoor also successfully completed the Fellowship Examinations from the Royal College of Surgeons in England and in Ireland. She was awarded the Fellowship in Oral Implantology from the International Society of Oral Implantologists in 1995. Currently, Dr. Bijoor also teaches at Columbia University College of Dental Medicine and is affiliated with Phelps Memorial Hospital in Sleepy Hollow, NY. She has recently completed her Executive MPH in Health Policy Management from Columbia University.

Since Dr. Bijoor is trained in both Pediatric Dentistry and Oral Surgery, she offers operating room services as an option for treatment of special needs patients and very young children with extensive tooth decay.

---

**Briarcliff Pediatric Dentistry is committed to prevention and early intervention ensuring a healthy smile for a lifetime. We recommend a first visit by the age of one to establish a "dental home".**

**This will help your child to develop a high level of comfort with dental visits as he or she grows into adolescence.**
